## Definitions

- **End-of-Sales Announcement Date:** Date of official End-of-Sales notice.
- **End-of-Sales Date:** The last date to order the product through Avaya point-of-sale mechanisms. The product is no longer offered for sale after this date on Avaya systems. These products will not be available for order through Extreme Networks point-of-sale mechanisms.
- **End of Support Services Software:** The last date that new software releases, including patches and bug fixes, will be created. This date conforms to Avaya lifecycle policies for the affected products.
- **End-of-Life Date (End of Support Services):** The last date a product will be supported by Extreme Networks.

## End of Sales Milestones

EOS Announce Date	EOS Date	End of Support SW	EOL Date
01/26/2018	4/8/2018	4/8/2019	4/8/2023

## Replacement Products

The replacement product is ExtremeManagement. ExtremeManagement is part of Extreme Management Center suite of products and is orderable today. Extreme Management Center provides a true 360 degree view of wired and wireless network, users, devices and applications with context and scale through integrated management, analytics and policy. It provides granular insights, visibility and automated control across the networks. For more information, please contact your account team or visit [ExtremeManagement](https://www.extremenetworks.com/product/management-center/) Product Site (<https://www.extremenetworks.com/product/management-center/>).

## Product Availability

These end-of-sale notice products will be orderable until April 8, 2018.

## Ongoing Support

Extreme Networks Confidential and Proprietary. Do not distribute without the express written consent of Extreme Networks, Inc. Specifications Are Subject To Change Without Notice. Extreme Networks, the Extreme Networks Logo, ExtremeXOS, BlackDiamond,, Summit, ERS, and VSP are either registered trademarks or trademarks of Extreme Networks, Inc. in the United States and/or other countries

New contracts may *only* be added in the first 12 months following the end-of-sale date. Existing contracts may be renewed during the first 4 years of the end-of-support period, provided that during the period following the end-of-sale date, the hardware replacement services provided do not include any 4-hour or onsite services, and that the contract expiration date does not extend beyond the end-of-support date as specified above. During the support period, replacement of product and/or repairs may be limited by availability of components. Extreme Networks reserves the right to change prices and/or discontinue any service plans at any time on end-of-sale product. For detailed information regarding service pricing on this end-of-sale product, please consult your local Extreme Networks sales representative for the most recent price list.
