System Expansion post-End of Sale

New system sales will end on the date indicated, however, for some products, the capacity of installed systems may be increased based on the continued availability of order codes for any System Expansions.

Please note that although Avaya Aura Conferencing is being discontinued for new sales, customers will still be able to purchase additional features and Right to Use (RTU) licenses through the Manufacturer Support period.

Migration Strategy

Avaya now offers Equinox Conferencing 9.1, which combines the best of Avaya Aura Conferencing and Scopia into a single going forward conferencing solution.
