Migration Strategy

Avaya now offers migration from IP Office Contact Center to Avaya Contact Center Select (ACCS)/Avaya Call Reporting (ACR) based on the features and functionality currently used by the customers in IPOCC.

Schedule

End of Sale Date	30-September-2019
End of Manufacturer Support for Software*	30-September-2020
Targeted End of Services Parts Support	30-September-2023

* Per Avaya Product Lifecycle Policy

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site.

Renewals of existing Avaya service contracts covering this product will be allowed until further notice.

Additional Information

Promotional Offer

© 2019 Avaya Inc. All Rights Reserved. All trademarks identified by the ® or TM are registered trademarks or trademarks, respectively, of Avaya Inc. All other trademarks are the property of their respective owners.

On-Premise

- Avaya will be offering ACCS ASIPP offer, for existing IPOCC customers, to migrate "like-for-like" at 100% discount with current IPOSS contract (effective with ACCS 7.1 release).
- Customers not covered under IPOSS can migrate to ACCS at 50% discount (effective with ACCS 7.1 release)

Manufacturer Support for Software

Includes the following (subject to contract terms and conditions):

- Technical Support – Includes Tiers I – IV
- Bug Fix (New) – New corrections to Software Defects delivered via Patch, Service Pack or Feature Pack as needed, according to the provisions stated in Avaya Product Lifecycle Policy. Customers may require the latest available Software Patch, Service Pack or Feature Pack for the Product as part of troubleshooting efforts.
- Bug Fix (Existing) – Application of already available Bug Fixes.

For more details please refer to Avaya Product Lifecycle Policy.
